NATIONAL HONOR SOCIETY

The National Honor Society is the goal of every student interested in individual achievement. Only fifteen percent of the upper third of the graduating class are elected to it. A student must have scholarship, citizenship as well as participation in school activities to be eligible for membership.

The following students were elected to the organization from the 1939 January class:

Virginia Bingman
Patricia Carmichael
Richard Holthaus
Granville Lowe
Carl Miller
Dorothy Pieper
Ila Zenor
William Boling

The following members were elected from the 1939 June class:

Roy Baker
Hinda Becker
Gretchen Beddow
Clara Brodsky
Henry Bopp
Oscar Cheesman
Martha Day
Emrich Elliott
Charles Faust
Richard Faust
Marjorie Front
Martha Harter
Helen Hess
Bonnie Hopewell
Arch Howle
Margaret Hutchison
Jean Isaac
Harold Katz
Lynn Kelso
Evelyn Kofmehl
Mary Ann Luckett
John Newlin
Ewell O'Bryan
Marjorie Suttle
Jeanne Thompson
Don Wegrich
Marjorie Whitmer
Robert Wiandt
Edward Wilkerson
Jack Winningham
Virginia Wright

The officers elected by the organization are: Martha Day, President; John Newlin, Vice-President; Jean Isaac, Secretary; Dorothy Pieper, Treasurer.

JUNIOR CLASS

The Junior Assembly was held the 9th hour March 24. The Juniors gave a variety of numbers including a ballet dance by the Junior Boys Chorus and a Ferdinand the Bull episode. The Mexican influence was predominant with the class dressed as Senores and Senoritas as an audience on the balconies. It was one of the year's most successful assemblies.

JUNIOR CLASS OFFICERS

Robert Hunter .....President
Henry Adams .....Secretary
Mrs. Shickel .....Sponsor
Dick Smith .....Treasurer
Dick Gharst ....Executive Committee
Barbara Davis..Executive Committee
Kathryn Robinson.....Vice-President
Ruth Green.....Executive Committee
Eleanore Stark.....Executive Comm.

JUNIOR CLASS

The Junior Prom was held May 19 in the Mayflower Room of the Terre Haute House. Wayne McIntyre and his orchestra furnished the music for the evening.

The committees for the year were as follows:

Assembly and Ring Committee

Robert Hunter
Henry Adams
Dick Smith
Kathryn Robinson
Dick Gharst
Ruth Green
Eleanore Stark
Barbara Davis

Junior Prom Committees

Program Committee

Barbara Davis
Wade Anshutz
Jack Cully
La Verne Beeson

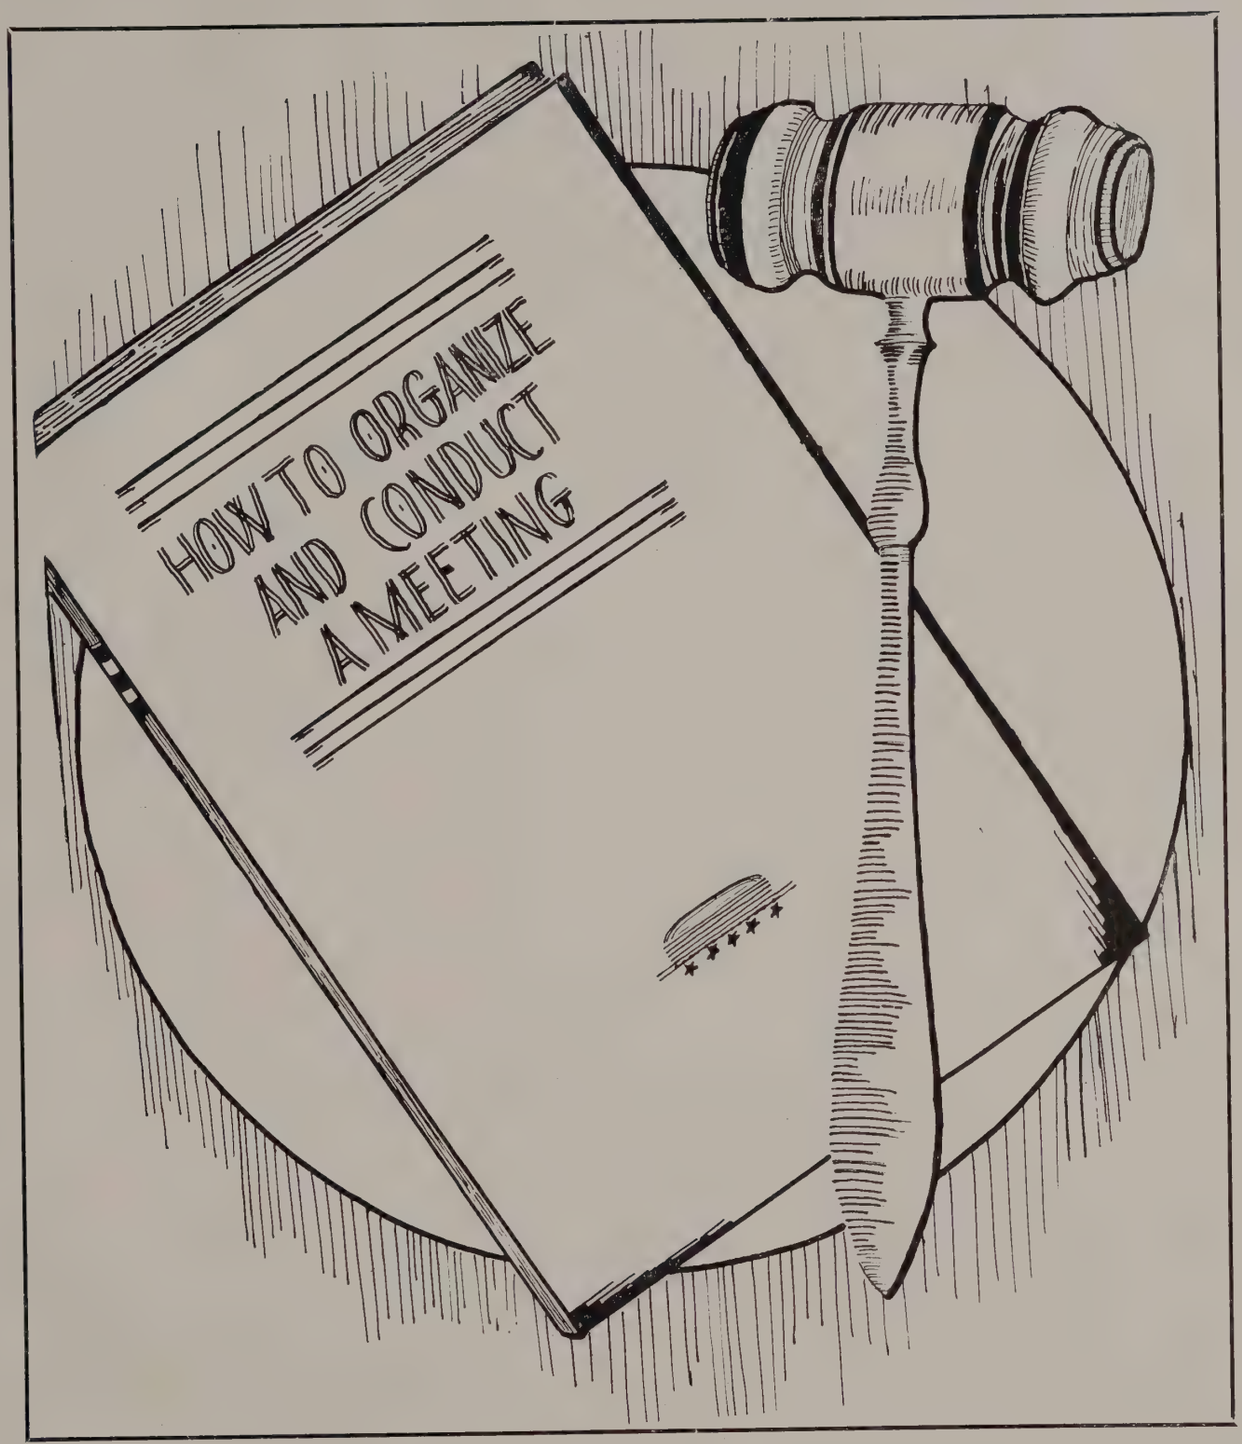
Music Committee

Jerry Belles
Bob Harold
Dorothy Clare

SOPHOMORE CLASS

The sophomore class has no organized program of activities but it has participated in all extra-curricular activities, besides doing outstanding work in the academic field.

The upper classmen sincerely believe that Wiley's age old tradition will be staunchly upheld by the upperclassmen of to-tomorrow.



ACTIVITIES

STUDENT COUNCIL

The present student council is the eighteenth one elected in Wiley. Their president is Arch Howle; their vice-president, Alfred Conrad; their secretary, Mary Ann Luckett. The other members are Martha Day, Don Wegrich, Henry Bopp, Janet Urban, Rosemary Spear, Betty Van Leer, James Bopp and Bill Moon. Mildred Dreher served the first semester; Ewell O'Bryan was elected to succeed her.

The group has largely followed in the footsteps of their predecessors in participating in the government of the school. This year, one distinctive feature distinguished them. In October, they invited the other city high schools of Terre Haute to come with them in sponsoring a lecture to be given by Mr. H. H. Reinecke, member of the Federal Bureau of Investigation. Thus the council of 1938-39 was the first one to broaden the scope of citizen participation by asking other schools to share rather than to contest in a civic undertaking that would benefit all sponsors alike.

S. O. S.

The S.O.S. Club sponsored by Miss Stimson, Dean of Girls, is composed of junior and senior girls chosen by the Dean to assist her in her work. The organization, which has been in existence for ten years, enables new girls to feel at home in Wiley and familiarizes them with the ideals and customs of their new school. S.O.S. is a signal for help in time of distress, a time at which the girls are only too glad to be of service. When it is necessary for Miss Stimson to be absent from her office during school hours, an S.O.S. girl sits in her office and carries on her duties. One of the girls serves as secretary and receives a commercial credit for her services. Harriet Boling and Estelle Hood, members of the club are not present in the picture.

DRAMATICS CLUB

Assembled every Wednesday of this year the ninth hour in the music room was Wiley's prominent organization, the Dramatics Club. The club's strife was to carry out its aim—namely, to develop all ability and interest in the field of dramatics by giving each member an opportunity to do his part. Three students from the club were appointed each week to have charge of the program, thus enabling every pupil to participate. The sponsor, Miss Ray, is duly proud of her Dramatics Club, for recognition was gained by many of the members individually and as a group.

The club concentrated on one big event this year—the production of Broadway's "Star Wagon," by Maxwell Anderson. Several one act plays were given during the year for other audiences as well as the club itself.

Those holding offices were: President, Jack Winningham; Vice-President, Marjorie Front; Secretary, Mary K. Battram; and Treasurer, Jack Kilgore.

THE LATIN CLUB

The Latin Club is an organization under the sponsorship of Miss Ellis. The purpose of the club is to stimulate and develop interest in the Latin language and the classical civilization, its customs and mode of living, its leaders and culturists.

The club meets on the third Thursday of each month during the ninth hour. Any one who has had Latin is eligible for membership.

The officers for this year were: president, Robert Johnson; vice-president, Dorothy Lang; and secretary, Juanita Stutz.

Besides the regular club, there is also a chapter in the Junior Classical League, a national organization.

FORUM

The Forum was organized in Wiley in 1934 to offer students a chance to study current history. The club now has a membership of thirty-seven. It meets once a week on Monday, the ninth hour. The officers for 1939 were: president, John Newlin; vice-president, Ruth Johnson; secretary, Martha Harter. The two annual parties held by the Forum were the White House Banquet in the winter and a picnic in the spring. Wiley's Forum has joined the Indiana Student Forum and is represented in the local Youth Forum.

FRENCH CLUB

"Le Cercle Francais" is the oldest club in Wiley, having existed since 1920. It is sponsored by Miss O. I. Bartlett, has thirty-five members, and meets every fourth Thursday of the month.

After having acquired a fair vocabulary and a passing knowledge of grammar in the classroom, it is then in the French Club that the "learning" is put to valuable use by following the playlets, poems, or songs given in French by various members.

The French Club does not only foster a better understanding of the language, but it also advances an appreciation of France and its people. In the club, one hears readings on French customs, dress, history and legend.

FORENSICS

During the 1938-1939 season, the Wiley forensic squad maintained its customary high rating in state competition, participating in tournaments throughout Indiana, in Illinois, and sponsoring a very successful speech tournament in Terre Haute.

The Wiley Debate Club sponsored a series of Tea Dances this year, materially contributing to a balanced school life.

The season was climaxed with two contestants sent to Beverly Hills, California to compete in the National Speech Tournament. Those who did outstanding work, in addition to the large number of contestants who entered the finals in many of the tournaments, are:

Marjorie Front—Outstanding actress of state award; Second in Oratorical Declamation, Hammond Invitational meet.

Elaine Hirsch—First State N. F. L. Dramatic Declamation (Nationals).

Harold Katz—Second State N. F. L. Extemporaneous; Second in State Extemporaneous (Nationals); District winner and State finalist in Rotary Oratoricals; District winner and state finalist in State Discussion League; Third in State Oratorical Declamation; Senator in Indiana Student Legislature.

Carolyn Keith—Representative in Indiana Student Legislature.

Jack Kilgore—Senator in Indiana Student Legislature.

Martha Ladson—Second State N. F. L. Humorous Declamation; Second Humorous Declamation, Ft. Wayne Invitational meet.

Mary Ann Luckett—First Humorous Declamation, Ft. Wayne Invitational meet.

Jack Lunstrum—Representative in Indiana Student Legislature.

Wade Mann—Representative in Indiana Student Legislature.

Jack Winningham—First Original Oratory, Ft. Wayne Invitational meet and Hammond Invitational meet.

Under the sponsorship of Miss Ray and the officers of the club, Harold Katz, president; Alan O'Mara, vice-president; Kathryn Robinson, secretary; Jack Kilgore, treasurer, the season terminated with strong hopes for next year's squad.

STUDENT REPRESENTATIVE ASSEMBLY

The Student Representative Assembly represents the entire school, each homeroom having one representative which they either elect or appoint. They meet each each Wednesday the ninth hour with the Student Council to discuss the current problems of the student government. They carry the views of the students to the council and the views of the council to the students. It is through this group that the student body takes part in student government which is characteristic of Wiley. Many more issues are put before the student body through the representatives than could possibly be put before them in any other way. It is through this body that the students make suggestions for Wiley talent to be used in the annual Revue, and for the yearly project which is financed by the council.

THE JUNIOR RED CROSS

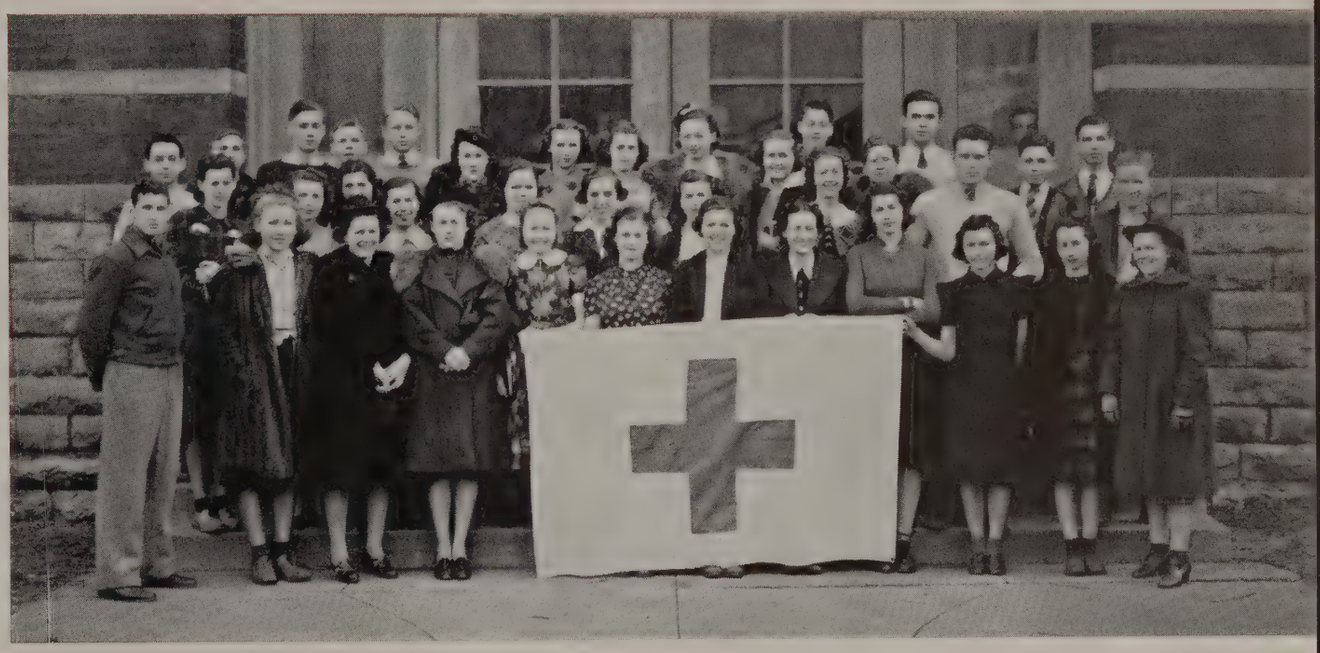
The unselfish cooperation of the Junior Red Cross representatives, the Wiley faculty and students, and our sponsor, Miss Jennie Kelly, has made a great success of the organization at Wiley this year. The money collected from the drive by the student body enabled the Junior Red Cross to finance the Braille copy of the Readers Digest for the blind of our city. The Junior Red Cross Assembly showed definitely the splendid work of the organization in several fields of endeavor and it was enthusiastically received by the audience. Various activities of charity, field trips to public institutions, the sending of Christmas greetings to disabled veterans, and talks helped to make this a most successful year. Without the kind, generous aid of the whole school and the representatives, the Junior Red Cross could not have accomplished so much. The club extends its gratitude for this whole-hearted cooperation.

President, James Snider; Vice-president, Harry Johnson; Secretary, Imogene Okes.

SCRIBBLER'S CLUB

The Scribbler's Club under the efficient supervision of Mrs. Denehie was organized primarily, to increase the students' interest and appreciation of good literature and give them an opportunity to further their writing ability. Through the club, the Scribblers are given an opportunity to develop their power of imagination, and individual talent which they may possess in various forms of literature and composition.

The major project of the Scribbler's Club each year is the assembling and publishing of the "Scribbler's Yearbook," a compilation of the selected essays, poetry, short stories, and plays, which the members submit at the meetings held each second and fourth Thursday of the month.



HI-Y

A Hi-Y Club is a group of older high school boys, who, having united in a common and challenging objective, are seeking for themselves and their fellow students the highest standards of life and conduct. The expressed purpose of the club is: "To create, maintain, and extend throughout the school and community, high standards of Christian character."

The term Hi-Y was coined to suggest the mutual relation of the boys to the high school and the Y.M.C.A.

The club, under the sponsorship of Herschel Royer, carried out three projects the past year: managing Hi-Y Bookstore, selling football pencils, and collecting Y.M.C.A. pledges.

The officers of the year were: Joe Rottet, President; Herbert Rhiem, Vice-President; and Myron Smith, Secretary-Treasurer.

MONITORS

Each semester fifty-six boys and girls are appointed to serve as monitors, the appointment being based on good citizenship and willingness to accept responsibility. To receive an appointment to the monitor staff is, in itself, an honor. It is the duty of the monitors to keep the corridors quiet during recitation periods, check and record all who pass in the halls, and to be of assistance to strangers entering the building. The morale of this group grows as the student body increasingly understands that student participation in school government is important and implies trust on the part of the individual who tries to give his best to this type of community. The monitor system is under the sponsorship of the student council.

BAND

The band, under the direction of Mr. John Bright, is one of the fastest growing organizations in school. During the past two years, it has established its name among the leading high school bands of Indiana. Its membership has increased over that of last year, the present number being seventy. In addition, there is a promising beginners' band.

This year, the band entered the state contest in both concert and marching. The contests were held in Terre Haute May 6th. Wiley band placed in second division in concert, and the marching band of forty-eight won first division. It won a special trophy for maneuvers.

Several band members have won individual honors in solo and ensemble work.

This organization is also active in cooperating with other school activities and civic programs.

ORCHESTRA

Wiley's orchestra has been very active this year, and for the first time, it entered the band and orchestra contest. It placed in first division in Class D.

The orchestra played for a performance by the Children's Theatre, it played for Fairbanks High School commencement, and for the dramatic club's presentation of "Star Wagon."

The orchestra is directed by Mr. John Bright.

GIRLS' GLEE CLUB

The Girls' Glee Club now has an enrollment of twenty-seven members, mostly from the Sophomore Class. It meets during the eighth hour on Monday and Wednesday. Three-part songs are studied, and one-fourth credit earned for one semester's work.

The Girls' Glee Club participated in the all-city spring festival, and also had an important part in our annual spring concert in May.

MIXED CHORUS

The Wiley Mixed Chorus is the advanced choral group. At least one semester's work in either the boys' or girls' glee club is required before a student is eligible for membership in the Mixed Chorus. At the present time this group has an enrollment of 48 members. Activities this year have included Sunday night concerts at many Terre Haute churches, participation in city, district, and state choral festivals, the annual Christmas program for the Rotary Club, and furnishing music for various school assemblies. The Mixed Chorus meets during the fifth hour daily.

BOYS' GLEE CLUB

Our Boys' Glee Club is an organization of long standing in Wiley. Any boy is eligible who is interested in learning to sing. It meets the ninth hour on Tuesday and Friday, and one-fourth credit is earned by its members. This year the Boys' Glee Club has a membership of twenty boys. Activities of this year's club included participation in the all-city festival in February, the district festival at Brazil in April, and a concert at Woodrow Wilson Junior High School in May.

GIRLS' ATHLETIC ASSOCIATION

It is the purpose of the G. A. A. to provide a varied sports program to those girls who desire this type of extra-curricular activity. This year the program included soccer, tennis, and hiking in the fall; volleyball, basketball, ping-pong, and badminton in the winter; with tennis, baseball, and track for the spring season.

The G. A. A. Council is composed of officers and sports chairmen. The officers for this year were Dorothy Lang, president; Irene Newman, vice-president (until January); and Patricia Tibbs, secretary. Each of the other Council members is chosen because of her knowledge or ability in a certain sport; therefore she is the manager of that sport. Those girls were: Lois Voges, tennis; Ann Orick, soccer; Shirley Sieck, hiking; Norma Cornell, volleyball; Lila Mahan, basketball; Arlene Sieck, ping-pong; Helen Jones, baseball; Edna Reeves, track.

Many girls who join the club receive awards of some kind. For earning 150 points they receive a red and white emblem, for 250 they get a red "W", and for 350 points they are eligible to receive a state award. Most girls earn points by participating in one sport six times, for which they get ten points.

Two girls from Wiley were eligible for the state honor this time. They were Ann Orick and Dorothy Lang. Letters were won by Lois Voges, Betty Bruce, Dot Lang, Shirley Sieck, Arlene Sieck, Lila Mahan, Norma Cornell, Helen Jones, Ruth O'Neill, Bertha Parsons, Edna Reeves. Emblems were won by Luella Archibald, Pat Tibbs, Margy VonCannon, Blanche Head, Doris Liston, Wanda Steppe, Helen Wood, and Joy Conley.

Soccer: Wiley 12—Indiana State College 13

Basketball: Wiley 16—Farmersburg 12
Wiley 18—Farmersburg 0
Wiley 12—Indiana State College 11
Wiley 22—Laboratory High 16
Wiley 20—Laboratory High 14

Volleyball: Wiley won 3 out of 4 over Rankin.
Wiley won 2 games over Indiana State College.

BLUE TRIANGLE

The Wiley Blue Triangle Club, junior group of the Y. W. C. A. builds its program and activities around its symbol which represents the three sides of a girl's life, body, mind, and spirit.

The club of 278 members is governed by a council composed of the following officers and committee chairmen: president, Bonnie Hopewell; vice-president, Hinda Becker; secretary, Virginia Wright; treasurer, Mary Margaret Reintjes; social, Mary Jane Dimmick and Helen Terhorst; service, Imogene Okes and Virginia O'Bryan; devotions, Jean Isaac and Ruth Lubbenhusen; ways and means, Patricia Bell and Frances Rowe; program, Jane Weisbach and Gerry Belles; art, Dee Jay Fulke and Gerry Liston; publicity, Gertrude Herron; music, LaVerne Beeson and Virginia Greenlee; sergeant-at-arms, Eleanor Black. Miss Thelma B. Jobe is general adviser, Miss Nelle Strobel is devotions sponsor, and Miss Helen Reitzel is program sponsor.

All girls of the school who are interested and willing to uphold the ideals of the club are eligible to membership in the club. Each term the new girls are required to participate in rough initiation, a written examination on the code, slogan, purpose, and Follow The Gleam, and the impressive recognition service.

Twenty-four girls worked in the ring group and took rings at the annual Feast of The Lanterns ceremony in May. The ring girls give the devotions for the meetings and participate in other devotional services.

BLUE TRI COUNCIL

The club sponsored many service projects during the year. The traditional Thanksgiving Horn of Plenty filled twenty baskets for needy Wiley families. Clothing, brought by the girls, was distributed to needy Wiley girls. For the under-privileged children at Christmas time, the club contributed to the Inter Club fund for a movie, which was shown at the Orpheum Theatre. To add to the enjoyment of the children, candy canes were distributed. To give Christmas cheer to Wiley's baskets, the service group made and filled red tarleton stockings with candy and nuts. There have been many small service projects such as subscribing for a magazine, buying medicine for the dean's office and contributing to the glasses fund. The largest project for the year was the giving of a scholarship to one of the Blue Tri girls to Indiana State Teachers College.

The social activities proved successful. The Inter Club Stardust Dance brightened the holidays for Wileyites, and March brought the Flying Sweethearts Dance. An informal party at the Quaker Maid Cabin in May and a picnic in June completed the social calendar for the year.

The Blue Tri Goodie Shop, maintained and operated by the girls, gives the girls experience and brings them in contact with other students.

Through service, social, and program work, Blue Tri strives ever to follow the purpose of the club, "To find and give the best."

WILEY BLUE TRI TO AWARD SCHOLARSHIP

During a recent Blue Tri Council meeting it was suggested that the Blue Tri Club award a one-year scholarship to Indiana State Teachers' College to a worthy senior Blue Tri member of Wiley. The members of the club unanimously agreed to accept the suggestion as proposed.

The girl who will receive this honor will be selected by a committee composed of faculty members, general members of the club and council girls. This award will be made on the basis of scholarship, leadership, need, service, personality and character of the appli-

WILEY BEATS

Wiley and Marion Tie

Marion, Ind., Sept. 23 —The Wiley Red Streaks battled the strong Marion High School football team to a 0 to 0 tie here tonight in a gridiron contest that had thrill and spill a'plenty despite the lack of scoring. This game was the first on the Wiley schedule and though the Streaks showed some evidences of early-season form, they displayed marked courage and defensive stamina. This was the second consecutive year in which the elevens from Wiley and Marion have struggled to a deadlock. Last year's count was 6 to 6.

The large crowd at the conflict saw an early Wiley threat in the initial period snuffed out when the Red Streaks advanced the ball to the Marion 6 yard stripe and fumbled. Marion recovered and quickly booted the ball out of danger. The remainder of the game found both teams fighting near the center of the field with neither aggregation threatening seriously.

In the statistical department, Marion gained a slight edge over the Streaks, having accomplished eight first downs and 149 yards by rushing, to Wiley's six first downs and 122 yards by rushing.

Wiley Beats Brazil 13 to 6

Making their first home stand of the season, the Wiley Red Streaks vanquished their ancient rivals, the Brazil Red Devils 13 to 6 in a gridiron conflict staged at the City Athletic Field.

A crowd of 3,400 fans saw the Streaks make a gallant third quarter bid for victory that netted them the winning touchdown. In the first half of the game, Wiley attempted an aerial attack that won them only moderate sucess. However Coach Fehring changed the strategy in the second period, and the Red Streaks launched a series of running plays that advanced the ball with deadly precision to scoring territory. From there, Bob Voges plunged over with both touchdowns. Don Wegrich converted after one of the scores.

Brazil was by no means idle in their attempts to win as they carried the pigskin to the Wiley five and two yard line on different occasions but were repulsed by the stubborn Wiley defense. The Red Devils tallied on a pass from Kreidler to Smith.

Wiley ripped off 12 first downs to Brazil's 9.

Reitz Wins Over Wiley 25 to 0

A devastating Reitz of Evansville football machine invaded Terre Haute tonight and pounded out a 25 to 0 victory over the Wiley Red Streaks in a combat held at the City Athletic Field.

The Evansville warriors carried the ball like knights of old, charging through resisting players unscathed. They exploded aerial bombshells that spelled disaster to the Wiley victory hopes. The combination of McCaffrey to Ritter completed a series of sensational passes that either made good or set up Reitz touchdowns. When they failed at the aerial game, Ritter and Raucsh ripped off yardage around the ends or through the center of the forward wall.

The Red Streaks lugged the ball into enemy territory on the opening kickoff and fought away towards the goal line but lost the ball on downs. Wiley rallied in the final quarter but failed by a matter of inches at the pay stripe.

Tonight's loss gave the Wiley gridders a record of one win, one defeat, and one tie for the season.

Clinton Wins Thriller

The Clinton Wildcats got wild enough in the early stages of their game with the Wiley Red Streaks tonight, but came very near being tamed before the gun closed the contest giving them a 33 to 24 triumph.

The battle was waged at City Athletic Field.

It was the invincible Mr. Tony Berto who was largely to blame for the Wiley defeat, as he scampered to two touchdowns in the first four minutes of play. When the first quarter ended, Clinton led 19 to 0. Headed by the drives of Wilkerson and Kipple in the second stanza, the Streaks sliced the margin to 19 to 12 at the half.

In the second half the Wildcats and Mr. Berto again set up their scoring plays and ran their side of the score up to 33. Then the stage was set for one of the most courageous exhibitions of the "never-say-die" spirit witnessed in Terre Haute in many a day on the part of the Wiley Red Streaks. Slashing their way through the Clinton line as their blockers bowled over would-be tacklers, the Wiley ball toters drove to two more touchdowns and were plugging away for another before the game ended. The score stood at 33 to 24, Clinton.

GARFIELD 41 to 0

Wiley Wins From Crawfordsville

Crawfordsville, Ind. Oct. 22—The battling Wiley Red Streaks captured a 28 to 24 decision from the Crawfordsville Athenians here today in a football game that see-sawed back and forth and was "won" and "lost" many times. Although the Athenians held leads of 12 to 0 and 18 to 0 at times, Wiley again flashed the courage that characterized their game with Clinton by coming back to win.

Though the runs of Wilkerson and Jensen were instrumental in the Wiley victory, it was the place-kicking of quarterback Don Wegrich that provided the winning margin. Swinging his toe like a pendulum, Wegrich converted when the pressure was on and thus Wiley emerged the victor.

In today's game, the Streaks firmly established their ability to come back. Instead of being counted out with the score 18 to 0 in favor of the Athenians, they romped back until in the final period they won their ball game.

The Wiley record for the season now stands at two wins against two losses and a tie.

Georgetown Conquers Wiley 45 to 20

Georgetown, Ill. Oct. 29—Led by a hard-running back, Grider, the Georgetown Buffaloes piled up a 45 to 20 triumph over the Wiley Red Streaks here today. Ignoring the offensive thrusts of the Wiley eleven, Georgetown tallied seven touchdowns. Of these seven touchdowns, Mr. Grider galloped to four of them and passed another.

In the initial half the Buffaloes had the scoring machinery well oiled and underway, leading 26 to 13 when the half ended. In the third quarter, the Red Streaks bounced back with a score while holding the Georgetown outfit scoreless. As the period closed the count read, 26 to 20. However the Buffaloes showered all their wrath on the Wileyans in the final round, and when the smoke cleared they led, 45 to 20.

Wegrich, Kipple, and Lowe marked up the Wiley touchdowns and Wegrich converted two extra points. Wilkerson stood out as the hardest tackler on the field.

This combat marked Wiley's last road game of the season.

Wiley Smashes Tech 40 to 12

In the historic Armistice Day football game between two rival schools, Wiley and Gerstmeyer, the Wiley Red Streaks unleashed a barrage of power that shocked the Tech grid gladiators and left them stunned with a 40 to 12 defeat.

Wasting not a moment, the Streaks went to work on their adversaries from the opening kick-off and shut off only for the half-time intermission. With a line that blasted all Tech defensive structures to nothingness and with backs that possessed the speed and drive of rockets, the Streaks were not to be denied their fourth straight victory over their rivals and possession of the Victory Bell for another year.

Highlighting the Wiley win were the long dashes of Wilkerson, Voges, and Plew and the driving plunges of Jensen and Kipple. Wilkerson raced 27 yards to pay dirt, Voges 42, and Plew 62.

The Tech boys continued to give battle despite the overwhelming score of 40 to 0 in the third quarter. They took advantage of a bad pass from center by Wiley, and marched to their first score. Later in the fourth period, Hartig received a Tech pass to ring up the last tally.

At this stage of the game, Coach Fehring sent a flock of substitutes into the conflict and the Wiley reserves battled the Cats on even terms for the remainder of the game.

Ed Wilkerson Scores Six Touchdowns As Wiley Wins 1938 Championship

The Wiley Red Streaks accomplished today what they have wanted to do for years! Plaster Garfield! Exploding with all the force that has been stored up in the traditional Wiley-Garfield football series on Thanksgiving Day in which Garfield claimed an edge of 15 to 7, the Red Streaks kicked the Eagles down, stomped on them, and roared on to the tune of a 41 to 0 triumph.

Playing on a field that was more water than soil, Garfield never had a chance against their heavier opponents. The closest the Purple Eagles got to the Wiley goal line was the 21 yard line.

With O'Bryan and Sims smashing over Garfield linemen, little Ed Wilkerson danced his way to six sensational touchdowns to break all scoring records in the traditional series.

The score at the half was 28 to 0, Wiley. Garfield had not given up. The crowd of 8,000 was still on hand to see what the last half would bring. When the final half did get underway, what the Garfield fans saw will linger long. The Streaks dug in and started their scoring march anew. Wilkerson scooted to two more scores and the Eagles were dead! Also the bleachers were bare!

The Purple Eagles were not lacking in courage or fight, but they simply could not match the sizzling, do-or-die spirit of their hot rivals. This 41 to 0 score stands unrivaled in the Wiley-Garfield history.

WILEY BASKETBALL

The Wiley basketball team, small but courageous, fought their way through the 1938-39 hardwood campaign, bowling over opponents of great repute and size, and ended the season with an admirable record of 15 wins against 9 defeats. The Streaks also captured the city title for the 8th consecutive time.

The Red Streaks started the season slowly, with Coach "Rusty" Rutherford bringing his charges along gradually and having them well-groomed for the Wabash Valley tournament. The Wiley netters went far in the Valley race, winning five games before running into the sizzling basketeers from Bainbridge in the semi-finals. In that tilt, the Pointers burned themselves right out of the tourney by ringing up 49 points against Wiley's 40 in what proved to be the hottest scoring affair of the tournament.

From the Wabash Valley race, the Red Streaks resumed the rocky road of competition left on their schedule. Highlighting the remaining contests were the Wiley victory over the strong Crawfordsville Athenians and then a Wiley loss in the first game of the sectional tourney to the busy Honey Creek Bees.

All in all, it was a thrilling hardwood season with plenty of fast basketball featuring a team that Coach Rutherford described as "a plucky little band of boys who never knew when they were whipped."

Season's summaries:

Wiley 29—Mitchell 34

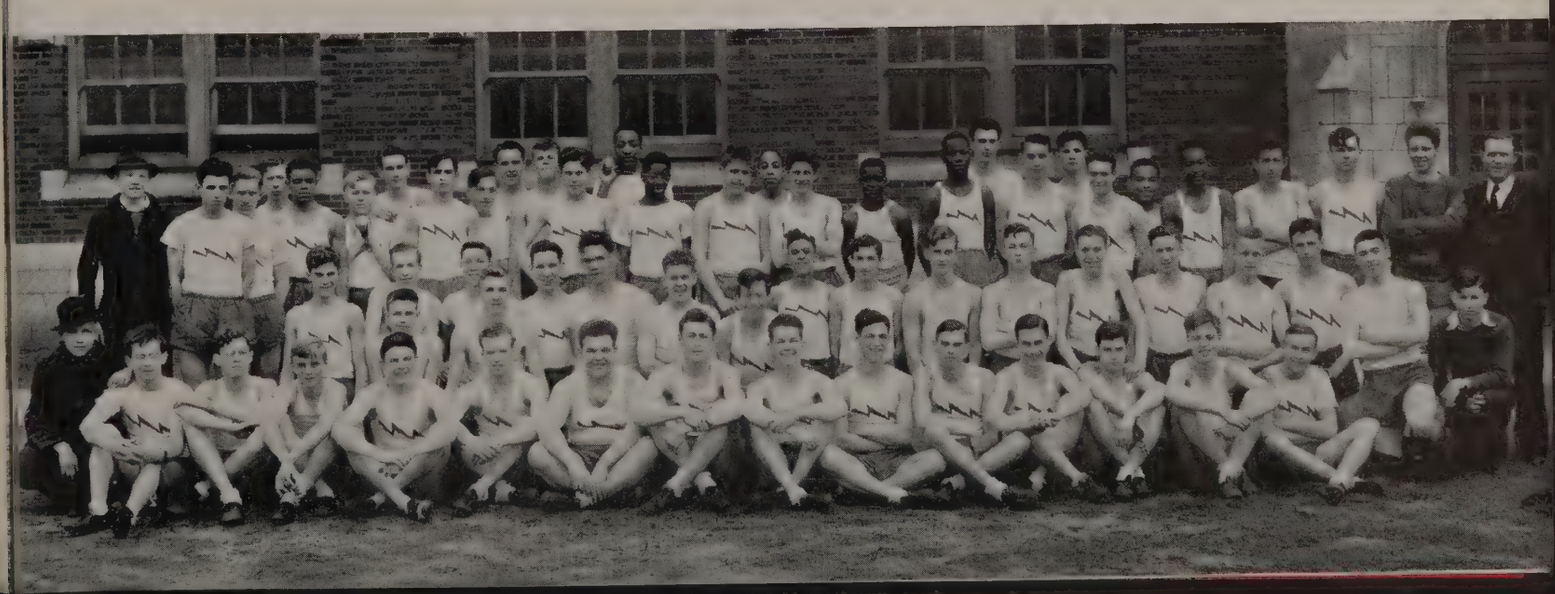
TRACK

The 1939 Wiley track and field team carried on the growing Wiley tradition of winning the Wabash Valley and City track championships. The Streaks breezed through a "suicide" schedule, meeting some of the fastest squads in the state, in fine style, and responded to experience by winning their two favorite titles.

In the Valley competition, the Wiley thinclads faced a crop of the fastest track artists gathered in a Valley meet in many years. However, the Streaks tallied 24 points to win a first place.

The City meet found Wiley's colors again dominant as the Streaks placed in every event and scored ten first places to chalk up a total of 72 points. In this conflict the Wiley mile relay team bettered the old record and established a new time for the event, completing the distance in 3:40 flat.

This year's contingent carried nine graduating seniors, and these boys have rendered valuable service to the track team. They are: Halt, Byrer, Howle, Yettman, Davis, Wilkerson, Sims, Schroeder, and Hartman.



GOLF

The Wiley golf team, sponsored by Mr. Lacey, has not only progressed through a successful competitive season, but it has also aroused interest in the links sport among the students.

This years team, composed mostly of sophomores and juniors, gives promise of becoming one of the best in Wiley's history as they gain experience.

The boys an the golf squad are: Connelly, Plenge, Rechart, Dailey, Rose, Bosworth, Baldridge, Mullikin.

TENNIS

Though the 1939 tennis team was small in stature, it was strong in power, and the diminutive lads from Wiley stroked their way to victories against some of the most powerful squads in the state.

Last year's squad was shattered by graduation, and the hopes of the Wiley tennis fans waned, but this year these promising underclassmen improved with experience and are ranked with the leaders in this district.

Dick Wood, brother of Jim, last year's mainstay, occupies the number one spot on the team. Ralph Wallenbrock holds the number two position, Bill Moon, third, and Kim Cottom, fourth position.

With the exception of Cottom, all of this years varsity will be back for next year's tennis wars.
